ORDER NO. 9325

AND NOW, this 15th day of January, 2019, the Delaware Public Service Commission ("Commission") determines and orders the following:

WHEREAS, on December 14, 2018, Teliax, Inc. ("Teliax") filed an application ("Application"), with the Commission seeking a Certificate of Public Convenience and Necessity ("CPCN") to allow it to provide facilities based and resold local exchange and intralata interexchange telecommunications services to the public within the State of Delaware; and

WHEREAS, Teliax proposes to provide retail local exchange services to enterprise customers and wholesale local exchange services, including switched access services, using its own facilities; and

WHEREAS, Teliax has stated that they intend to negotiate an interconnection agreement with Verizon which will be filed with the Commission for approval upon completion; and

WHEREAS, Teliix has requested, pursuant to 26 Del. C. § 208(b), that it may maintain its books and records relating to its Delaware operations outside of the State of Delaware; and

WHEREAS, Teliix provided the appropriate affidavit of publication of notice of the Application in the Delaware State News and no formal comments or objections regarding the Application have been received; and

WHEREAS, Teliix has provided sufficient information evidencing that it has the financial, technical, and operational capabilities required for a CPCN as set forth in 26 Del. C. § 203A and the Commission's "Rules for the Provision of Telecommunications Services," under 26 Del. Admin. C. § 4001 (the "Rules"); and

WHEREAS, Staff has submitted to the Commission a memorandum recommending approval of the Application; and

WHEREAS, the Commission determines that a CPCN should be granted to Teliix to authorize it, as a public utility, to offer facilities based and resold local exchange and intralata interexchange telecommunications services under the provisions of 26 Del. C. § 203A and the Rules subject to the conditions listed below;

**NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE
VOTE OF NO FEWER THAN THREE COMMISSIONERS:**

1. Pursuant to 26 Del. C. § 203A and Subchapter VII-A, Chapter 1 of Title 26 of the Delaware Code, and the Rules, the Commission hereby grants to Teliix, Inc. a CPCN to operate as a public utility and provide facilities based and resold local

exchange and intralata interexchange telecommunications services within the State of Delaware as described in the Application.

2. When Teliix completes an interconnection agreement with Verizon it shall file the agreement with the Commission and request its approval of the agreement.

3. Teliix will file its switched access tariff within 30 days of approval of its Application.

4. Teliix shall provide facilities based and resold local exchange and intralata interexchange telecommunications services in the manner required by the Rules and at all times shall comply with all applicable provisions of the Delaware Code, the Commission's Rules and Regulations, and all other applicable laws, rules, regulations, and orders.

5. Teliix is authorized to maintain its books and records relating to its Delaware operations outside of the State of Delaware, provided, however, and upon the condition that, Teliix shall provide to the Commission, at its Dover, Delaware office, in a timely manner and upon the written request of the Commission's Executive Director, all such books and records relating to Teliix's Delaware operations as the Commission may deem reasonably necessary from time to time for review and copying. If the Commission must review the Delaware-related books and records of Teliix at a location other than at the Commission's Dover, Delaware office, Teliix shall pay for the expenses of such review.

6. A violation of this Order, the Commission's Rules and regulations, or other applicable law, rule, regulations or order may result in suspension or revocation of the CPCN.

7. The Commission reserves the jurisdiction and authority to enter such further orders in this matter as may be deemed necessary or proper.
